

# Warranty Information

Nightmotorsport proudly stands behind our work, offering a 36 month / 36,000 mile limited warranty on our engine builds that starts on day the of delivery. If anything happens to your engine as a result of the machining, assembly, or installation processes, you will be covered. Full coverage details below. Factory (stock) rebuilds receive a 6 month / 12,000 mile warranty.

## **NIGHTMOTORSPORT Short Block Limited Warranty Information**

- a) Short block warranty only applies to components that were manufactured and/or assembled by Nightmotorsport.
- b) Nightmotorsport professional tuning (or equivalent), as outlined in the service intervals above, is required to maintain warranty.
- c) Short block warranty applies only to the short block. Engine accessories, turbo, and other external engine components are not covered.
- d) Short block warranty does not cover labor expenses for engine removal and replacement or any shipping costs.
- e) Short block warranty does not cover labor expenses for single use components (gaskets, fluids, etc.) that are needed for reassembly and reinstallation.
- f) Short block warranty is only valid if it is installed by an approved professional and receipts are provided.
- g) Short block warranty is non-transferrable and only offered to the original purchaser.
- h) Short block components used to assemble the engine carry the individual part manufacturers warranty when purchased through Nightmotorsport. We do not offer warranty on customer provided components.
- i) It is the customer's responsibility to initiate any warranty claims directly with Nightmotorsport.
- j) The customer will be held responsible for all engine tear down costs for claims deemed insufficient and/or invalid.
- k) It is the owner's responsibility to keep a record of receipts and proof of proper maintenance.
- l) Warranty does not cover failures caused by:
  - improper or inadequate maintenance
  - failure to maintain proper fluid type and levels (oil, coolant, etc.)
  - abuse, alteration, over-rev, overheat, detonation, or hydro-lock
  - short block and cylinder head casting flaw or failure
  - oil starvation, fuel starvation
  - normal wear and tear maintenance items
  - accident damage, foreign object ingestion
- m) Nightmotorsport is not responsible for covering rental transportation or lodging in the event of engine failure.

## **Warranty Claim Information**

Assessment of all warranty claims must be performed by Nightmotorsport. Nightmotorsport requires our facility to inspect for damage and to determine eligibility of claim(s). Upon disassembly of the engine, Nightmotorsport will determine if product manufacturing, assembly, parts defect, improper installation, or improper tuning directly or indirectly caused the engine to prematurely fail. Following engine teardown and assessment Nightmotorsport will determine whether warranty coverage applies.

*\*Not following proper engine break-in instructions as outlined above WILL cause damage to your new engine!*
